The following procedures would be followed in the event of an accident occurring to a student participating in the Catskill Ski / Snowboard Program:

1. The child would be transported to the Ski Patrol unit at the Hunter Mountain Base Lodge. Personnel in charge would then page the director or a chaperone to report to the First Aid Area.
2. The Ski Patrol Staff or any attending medical personnel would then make a determination as to the nature of the injury and its degree of critical status.
3. The director or his designee would notify the child's parents or an alternate responsible party as to the nature of the injury and agree on the proper procedure to be followed. IMPORTANT NOTICE

PERMISSION TO CHARGE FOR REPAIRS OR RENTALS IN THE EVENT OF EQUIPMENT PROBLEMS OR LOSS

Under no circumstances can any chaperone from the Catskill Ski / Snowboard Program make adjustments to skis, snowboards, or bindings. All adjustments to equipment must be done by the trained employee at the shop where you purchased or rented your equipment. Parents and students should make sure that the equipment fits properly and that it is in proper working order for each Sunday session.

In the event of equipment problems or failure while at Hunter Mountain, the Catskill Ski / Snowboard Program has arranged for the following:

1. A chaperone must be notified of the equipment failure or problem and repairs will be made by the certified trained staff at Hunter Mountain. The student will either pay repair costs immediately or they can be charged to the Catskill Ski / Snowboard Program for a one week period only. **The student must pay the repair costs before he or she can ski / snowboard the following week.**
2. In the event that the equipment cannot be repaired, the Catskill Ski / Snowboard Program have made arrangements for rental of new equipment at Hunter Mountain. Again, this rental fee is either paid immediately by the student or charged to the Catskill Ski / Snowboard Program for a one-week period only. **The student must pay the rental fee before he or she can ski / snowboard the following week.**

I have read the "Permission to Charge" notice and give permission for repairs to be made or equipment rented if necessary. I understand that the chaperones cannot be asked to make repairs or adjustments to equipment. I further realize that I must reimburse the Catskill Ski / Snowboard Program for any charges that they have incurred as a result of repairs to my equipment or rental of new equipment.
